

JULY 20-23, 2025

**SAINT SIMONS ISLAND, GEORGIA
THE KING AND PRINCE BEACH AND
GOLF RESORT**

Welcome GAITE Friends and Families -

My friends, here we are, back in St. Simons! This year marks our 25th year hosting the annual Summer Seminar at the beautiful King and Prince Resort. I hope you all will take this opportunity to find time to relax, connect with friends old and new, and learn a thing or two from the many speakers and presenters we have lined up.

I am honored to serve as your conference chair. This is my 5th year attending Summer Seminar, and it has become a tradition that my family and I always look forward to. I've had the privilege of attending many conferences over the years, both local and national, and I can confidently say that there is no organization that puts on as great of an event year after year as GAITE. This conference provides the perfect blend of professional networking, cutting edge technical presentations, and old fashioned summer family fun! It is no wonder that the Georgia Section has won the ITE Outstanding Section Award 8 times in the award's 32-year history.

The theme of this year's event is "Getting Into Focus". This theme was envisioned as a thought that we should take a step back from the discussion of the multitude of funding initiatives and federal programs in recent years and instead focus on their ground-level impacts. How are our efforts as transportation professionals improving the day-to-day lives of traveling Georgians and the communities they call home?

Through our technical program we will seek to answer that very question. We will lead it off with our keynote speaker Anna Roach, the Executive Director of the Atlanta Regional Commission. The remainder of our technical program rounds out with updates on transit, active transportation, ITS, TMC operations, and policy updates. We will also feature roundtable discussions on the Future of the DOT as well as career planning and society involvement. We conclude Wednesday with a workshop focusing on traffic safety culture.

As we all know, this week isn't just about the technical stuff, we also have many fun events to look forward to! Our family-friendly traditions continue, including the Jimmy Roper Classic Golf Tournament and Cornhole Tournament on Sunday. We will have the 5K Run/Walk and Kid's Bocce Tournament on Monday, following

up with Volleyball, Tennis, and Kid's Sandcastle Competition on Tuesday. After having some fun in the sun, we will spend a lively and entertaining evening Tuesday night, beginning with the Scholarship Reception and Auction, the Awards Banquet, and family-friendly Dessert and Dancing Social. There is no better feeling than guzzling down an ice cream sundae and immediately hitting the dance floor!

This conference is made possible through selfless dedication of all of our volunteers. Through many countless hours of work and preparation, they have all made this incredible event possible. I want to thank each and every one of you for your efforts! Last, but not least, I want to thank all of our sponsors and exhibitors. Their continued support is what allows this conference to be accessible for us all! Please take an opportunity to thank a sponsor if you see them, and make a point to visit each of our exhibitors and learn about the state of the art products and services they offer.

On behalf of the GAITE Board and all conference volunteers, I hope that this week's visit to the magical Georgia coast gives you all the opportunity to relax, refresh, and reflect. May we all find a little spark that inspires us to put some aspect of our future lives, both personal and professional, into focus.

Sincerely,

Jared Wall, 2025 Summer Seminar Chair

INTELLIGENCE DRIVEN INNOVATION

Helping transportation clients move forward.

At Jacobs, we're going beyond the typical solution of building our way out of gridlock and congestion by putting our curious minds to work to create a smarter, more connected world. We're facing a new generation of challenges and opportunities in moving people, goods and services. And at Jacobs, we're pushing the limits of what's possible.

We tackle the world's toughest challenges.

Technical Schedule - Monday, July 21st

Opening Session (8:30 – 9:45 AM)

Welcome – Jared Wall, Kimley-Horn

Technical Program – Andrew Park, HNTB

President's Address – Christy Jeon, AtkinsRéalis

Keynote – Anna Roach, Atlanta Regional Commission

Break (9:45 – 10:00 AM)

Session 1: Agency Updates (10:00 – 11:15 AM)

Moderator – Kayla Swanson, Kimley-Horn

Presenters:

NextGen Bus Network Redesign – Ryan VanSickle, MARTA

ATLDOT's Road to FIFA World Cup – Cavin Payton, City of Atlanta

Savannah On the Move – Faye DiMassimo and Stephen Henry, City of Savannah

Break (11:15 - 11:30 AM)

Session 2: 2035 DOT Look Ahead Roundtable (11:30 AM – 12:45 PM)

Moderator - Prasoon Sinha, Arcadis

Presenters:

Habte Kassa, GDOT

Guy Rousseau, Atlanta Regional Commission

Christina Barry, GDOT

Drew Raessler, Cobb County DOT

Lunch - On Your Own (12:45 – 2:15 PM)

Technical Schedule - Monday, July 21st

Session 3: ITS (2:15 – 3:30 PM)

Moderator – Taylor Glakas, HNTB

Presentations:

Akers Mill Express Lane Ramp Go-Live Project - Christina Barry, GDOT; Chris Gallien, HNTB

TMC Active Incident Response - Non-Recurring Events and Closures - Catherine Johnson, AECOM

SigOps Spotlight Automated Traffic Flush Plan - Jack Ludwick, AECOM

Break (3:30 – 3:45 PM)

Session 4: Roundabouts (3:45 – 5:00 PM)

Moderator - Mojtaba Alemohammadi, City of Roswell

Presentations:

Innovative Integration of Raised Features from Turbo Roundabouts into Multi-Lane Modern Roundabouts - Chris Raymond, GDOT

Pedestrian Sight Distance at Roundabout Exits - Katie Mills, Kimley-Horn

Georgia DOT Rural Roundabout Practical Design Guidance, and Case Studies - Ola Onabanjo, GDOT; Scott Zehngraff, Barge

Driving communities toward a better future

Rooted in the communities we serve, we offer comprehensive planning, design, engineering, and construction management services that keep people and goods moving. We focus on resilient and sustainable solutions that respect both the community and the local environment.

LEARN MORE

Technical Schedule - Tuesday, July 22nd

Session 5A: TMC Technology and Security (8:30 - 9:45 AM)

Moderator - Kim Williams, GDOT

Presentations:

Real-Time Application of Dashboard Data - Catherine Johnson, AECOM
Broadband Program Progress Status and Updates - Ben Lempke, GDOT
Deployment of Palo Alto Firewalls to Secure GDOT's Edge Network - Audrey Kennedy, GDOT

Session 5B: People First: Elevating Bicycle and Pedestrian Safety (8:30 - 9:45 AM)

Moderator - Erika Becker, NV5

Presentations:

Enhancing Bicycle and Pedestrian Safety: Leveraging Near-Miss Data Along GDOT Corridors - Steven Hollenkamp, Quality Counts; Connor Booth, GDOT
The 2024 AASHTO Bike Guide – Designing for All Ages and Abilities - Chris Puglisi & Brendetta Walker, Toole Design
Enhanced RRFB as a pedestrian safety V2X solution - James Nguyen
City of Peachtree Corners

Break (9:45 -10:00 AM)

Technical Schedule - Tuesday, July 22nd

Session 6A: Projects Connecting Communities (10:00 - 11:30 AM)

Moderator - Aimee Turner, Croy Engineering

Presentations:

Beltline in Focus: Connecting Communities through Design - Michelle Henriques, Kimley-Horn; Shaun Green, Atlanta Beltline, Inc.
The Stitch – Transformational Vision for a Reconnected Downtown Atlanta - Claudia Bilotto; Tori Pustotnik, & Andrew Woodhouse, WSP
Focus On Vulnerable Road User Infrastructure – Small Projects; Major Connections - Sarah Nastasi, AECOM
The Cumberland Sweep: Innovative Multimodal Connectivity in a Growing District - Megan Will, Cumberland CID

Session 6B: Complete Streets & Traffic Safety (10:00 - 11:30 AM)

Moderator - Casey Inoue, Temple

Presentations:

“TAP”-ping into Safety Solutions for Trail and Island Crossings in Rural Georgia - Connor Booth, GDOT; David Pickworth, Michael Corwin, & Heather Mase, VHB
Railroad Preemption at Signalized Intersections “How Safe Are Your Crossings?” - Peggy V. Allen, DeKalb County
Accommodating VRUs in Work Zones - Connor Booth, GDOT

Break (11:30 - 11:45 AM)

Technical Schedule - Tuesday, July 22nd

Session 7A: Career Planning and Society Involvement (11:45 AM - 1:00 PM)

Moderator - John Karnowski, NV5

Presentations:

Workforce Development - Dwayne Tedder, Jacobs

Professional Path to Success Panel - George Curtis, Gwinnett County DOT; Kaitlyn Stewart, GDOT; Chris Gallien, HNTB; Bing Zhang, Kimley-Horn; Kelly Patrick, Arcadis

Session 7B: Planning: Policy, Programs & Processing (11:45 AM - 1:00 PM)

Moderator - Raghu Baireddy, AtkinsRéalis

Presentations:

A Pragmatic Approach to Simulation Verification, Calibration, and Validation - Michael Hunter, Georgia Tech

Design Traffic Forecasting: Tools and Key Updates - Mahesh Atluri, HNTB; Nithin Gomez, Gresham Smith; Habte Kassa, GDOT

Interstate System Access: Policy Change - Mahesh Atluri, HNTB

Lunch - On Your Own (1:00 - 2:00 PM)

Technical Schedule - Wednesday, July 23rd

Session 8: Focus On Traffic Safety Culture (8:00 - 10:00 AM)

Presenters:

Kelli Roberts, GDOT

Sarah Nastasi, AECOM

Mark Doctor, Gresham Smith

Events & Activities - Sunday, July 20th

The Jimmy Roper Classic Golf Tournament (8:00 AM)

Presented by All Traffic Data

This event takes place at Sea Island's Retreat Course – 100 Kings Way, Saint Simons Island, GA 31522. The driving range opens at 7:30 AM and the tournament begins promptly at 8:10 AM. This year the tournament will feature a staggered start with two teams going off at a time. Tee times begin at 8:10AM, and the last tee time will be at 9:00 AM.

The Welcome Reception (6:00 PM)

The reception will begin at 6:00 PM at the King and Prince, Atlantic Court – located at the north side of the hotel. Conference attendees and their guests are welcome to attend, ticket required. Please visit the registration desk if you do not have a ticket and would like to purchase one.

The Annual Cornhole Tournament (8:00 PM)

Presented by Control Technologies

This event will begin at 8:00PM at the King and Prince, Atlantic Lawn. Register your team at the registration desk! This event is open to attendees of all ages.

Events & Activities - Monday, July 21st

5K Run/Walk (7:00 AM)

Presented by Marr Traffic

The 5K will begin at 7:00 AM sharp, at the corner of Arnold and Downing – located outside the main doors of the King and Prince hotel, on the right. The route will be paved and all pre-registered participants will receive a T-Shirt! If you did not preregister, you can still show up and run! Chick-fil-A biscuits will be available for all 5K participants at the conclusion of the race.

Kids Bocce Tournament and Activities (10:30 AM)

The kid's bocce tournament and other activities will be held on the beach. Please sign up at the registration desk. If you have little ones who don't want to play Bocce, we will also have other events planned! Plan to meet up at the registration desk at 10:30, and we will walk down to the beach together. Please contact Jared or Lauren-Leigh Wall with any questions. In the event of rain, we will move to the Solarium.

You not only need data fast,
**YOU NEED IT
TO BE RIGHT.**

That's why we're dedicated to providing traffic intelligence solutions and collecting critical data quickly, providing you with data that is reliable, trusted, proven, and accurate.

All Traffic Data Services, LLC (ATD) is a leading transportation data services company with over 24 years experience working with public and private clients of all sizes. We are a trusted industry leader in developing an array of tailored data collection solutions for efficient, accurate, and cost-effective programs. Our solutions cover traffic counts, turning movements, origin/destination, pedestrian, radar speed, Bluetooth, parking, asset inventory, crash diagrams, and more.

We know deep, reliable data is the foundation for guiding infrastructure, transportation, and communities into the future. You can trust ATD to deliver the data to lead the way.

Events & Activities - Tuesday, July 22nd

Sand Castle Building Competition (10:00 AM)

The annual competition will begin at 10:00 AM on the beach. Bring your own tools to create your castles, basic tools will be provided. Judging will begin promptly at 12:00 PM to award prizes for Most Creative, Most Impressive, and Best Transportation Theme. In the event of rain, an event will be held in the Solarium, located inside the King and Prince. Please contact Jared or Lauren-Leigh Wall if you have any questions.

Volleyball Tournament (2:00 PM)

Presented by National Data Services

This event will begin at 2:00 PM on the beach. All conference attendees and guests ages 15 and older are welcome to participate. Teams of four can sign up at the registration desk prior to 11:00 AM on Tuesday.

Tennis Tournament (2:00 PM)

The tournament will begin at 2:00 PM at the King and Prince tennis courts. Teams or individuals can sign up at the registration table prior to 11:00 AM on Tuesday. All ages are welcome to participate. Please note this event runs concurrently with the Volleyball tournament.

The John Moskaluk Scholarship Reception & Auction (5:00 PM)

This event will begin at 5:00 PM in the Delegal Room. Adults are invited to participate in bidding on items to raise money for the ITE Scholarship Program to support the education of future transportation engineers. Silent auction items will be displayed all afternoon in Delegal, and the live auction will begin at 6:00 PM.

Events & Activities - Tuesday, July 22nd

The Banquet (7:00 PM)

This event will begin at 7:00 PM, immediately following the Scholarship Auction, in the Lanier Ballroom. Please join us to celebrate the winners of all the competitions and recap the activities and events throughout the conference.

Since the Reception and Auction are adults only, we have two options for parties below to entertain children:

- Children (2-12 YO) are invited to participate in the Kid's Party with food, entertainment, and childcare provided in the Retreat Room.
- Teens (13+ YO) are invited to participate in the Teen's Party with food and entertainment in the Solarium.

Dessert & Dancing (8:30 PM)

All conference attendees and guests including children are invited to the Dessert and Dancing Social beginning at 8:30 PM in the Delegal Room. Dance the night away to wrap up the social events for the conference!

Frequently Asked Questions

What is the dress code for the conference?

Summer Seminar is a laid-back conference with a relaxing atmosphere. Casual — jeans, shorts, khakis, skirts, etc. is appropriate for all functions, except for Tuesday night's scholarship reception and the banquet (business casual). The best part... no ties! Most moderators and presenters will opt for business casual but will often change quickly after their session.

Are there hospitality events?

There are multiple planned and impromptu hospitality events throughout the week. Generally, these are held near the K&P and are after the scheduled Summer Seminar Program for the day. Georgia ITE does not maintain a list of these events, but please see exhibitors at their booths, review the ads in this program, and ask around for more information about specific events.

Will presentations be posted online?

All sessions on Monday and Wednesday will be livestreamed and recorded on the GAITE YouTube channel (<https://www.youtube.com/@georgiaite8417>). Tuesday sessions in Lanier II and III will be livestreamed and recorded, and sessions in Lanier I will be recorded and uploaded to the channel several weeks after the event. Please contact AV Chair Paul Slone or Technical Chair Andrew Park with any questions about accessing presentations.

How do I get my PDH certificates?

PDH certificates are available at the conclusion of each session. The moderator will announce the location of the certificates during each session. Please be sure to pick up your certificates during the session as Georgia ITE is unable to send out certificates after the conference.

Please contact the Technical Program Chair (Andrew Park) for PDHs.

Frequently Asked Questions (cont.)

Which meals are included for attendees and guests?

Breakfast is provided for conference attendees each morning. (Monday and Tuesday will feature a full breakfast buffet while Wednesday will be a light breakfast.) Additionally, refreshments are provided during many of the breaks for conference attendees. Dinner is provided for both attendees and registered guests on Sunday and Tuesday evenings, and there will be a dessert buffet provided for registered attendees and guests on Tuesday evening. Meal tickets are included in your registration materials and will serve as your admission ticket to each of the provided meals. Lunch is on your own but see Page 36 for some of the popular local options.

I loved this conference, how can I get more involved in ITE?

Georgia ITE is an amazing organization with a strong commitment to the transportation industry and a family atmosphere. We'd love to have you become more active! The single best way to get involved is to volunteer for a committee. To do this, reach out to any of the Georgia ITE Board Members (see page 38), talk with the volunteers at the registration table, or visit our website (www.gaite.org).

I have other questions, comments, and/or concerns. Who should I talk to?

If the inquiry is related to Summer Seminar, please see the volunteers at the registration table or locate either Jared Wall or Andrew Park. If the inquiry is about Georgia ITE, please reach out to any of the current Georgia ITE Board Members (See Page 38).

When is Summer Seminar 2026?

Summer Seminar 2026 will take place **July 18-21, 2026** at the King and Prince Beach and Golf Resort.
